**SOFFIT & FASCIA
SERIES**
BY ALCOA

ADDING overhead AND reducing cost

It won't chip, peel, crack, split, or swell. It never needs painting. It's virtually maintenance-free. And yet nothing contributes to a design's overhead like a low-cost, high-appeal, option-rich vinyl soffit.

Ventura™ Hidden Vent Soffit

Forward fashion for the home, backed with advanced science contributing to optimum air flow dynamics. Nothing's hidden in this exceptional panel except the vents.

Pro-Bead® Soffit

All the charm of a handcrafted, classic bead soffit with all the performance of a superior engineered panel for high-profile locations.

Pro-Select® Soffit

Extra thickness and deep grooves contribute to the appeal of this top-of-the-line soffit in vented and non-vented styles.

Pro-Tech Plus® Soffit

Three options, vented, non-vented and center-vented, make this low-gloss soffit a high-appeal choice for every style home.
